Disclosures

Past performance does not guarantee future results. Invested capital is at risk of loss. The holdings identified do not represent all of the securities purchased, sold, or recommended for advisory clients.

For comparison purposes the composite return is measured against the MSCI Frontier Emerging Markets Total Return Index (Gross). Harding Loevner LP is an investment adviser registered with the Securities and Exchange Commission. Harding Loevner claims compliance with the Global Investment Performance Standards (GIPS®). Harding Loevner has been independently verified for the period November 1, 1989 through March 31, 2025. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Performance data quoted represents past performance; past performance does not guarantee future results. Returns are presented both gross and net of management fees and include the reinvestment of all income. Net returns are calculated using actual fees. The US dollar is the currency used to express performance. For complete information on the construction and historical record of the Frontier Emerging Markets composite, please contact Harding Loevner at (908) 218-7900 or invest@hlmnet.com. The firm maintains a complete list of composite descriptions, a list of limited distribution pooled fund descriptions, and a list of broad distribution pooled funds, which are available upon request. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the accuracy or quality of the content contained herein.

The MSCI Frontier Emerging Markets Index is a free float-adjusted market capitalization index designed to measure equity market performance in all countries from the MSCI Frontier Markets Index and the lower size spectrum of the MSCI Emerging Markets Index. The index consists of 27 frontier markets and 4 emerging markets. You cannot invest directly in this index.

The portfolio is actively managed therefore holdings may not be current. They should not be considered recommendations to buy or sell any security. It should not be assumed that investment in the securities identified has been or will be profitable. The portfolio holdings identified above do not represent all of the securities held in the portfolio. To request a complete list of holdings for the past year, please contact Harding Loevner. The following information is available upon request: (1) information describing the methodology of the contribution data and (2) a list showing the weight and relative contribution to return of all holdings during the month.

Portfolio holdings, portfolio attribution, contributors and detractors, and sector/region portfolio positioning are supplemental information only and complement a fully compliant Frontier Emerging Markets Equity Composite GIPS Presentation, which is available upon request. Performance attribution and performance of contributors and detractors is gross of fees and expenses. The composite and attribution returns may show discrepancies due to the different data sources for these returns. Composite performance is obtained from Harding Loevner's accounting system and Attribution returns are obtained from the FactSet portfolio analysis system. Please note returns from FactSet are not audited for GIPS compliance and are for reference only.

MSCI Inc. and S&P do not make any express or implied warranties or representations and shall have no liability whatsoever with respect to any GICS data contained herein.
