PHILOSOPHY & PROCESS

Harding Loevner believes a diversified portfolio of high-quality, durable-growth companies purchased at reasonable prices will provide superior investment returns with below-average risk over the long term. Our analysts conduct careful bottom-up research of individual companies and analyze the competitive dynamics of their industries to identify the best growth companies and to assess the value of their shares. To qualify for investment, companies must be well managed, financially strong, and possess clear competitive advantages relative to their peers.

DISCLOSURES

Source (Sector and Geographic Exposure, Largest Holdings and other Characteristics): FactSet; Harding Loevner Funds plc Global Small Companies Equity Fund; MSCI Inc. and S&P. Characteristics run date 06 April 2021, based on the latest available data in FactSet on this date.

MSCI Inc. and S&P do not make any express or implied warranties or representations and shall have no liability whatsoever with respect to any GICS data contained herein.

The information contained herein concerns a sub-fund (the "Fund") of Harding Loevner Funds plc (the "Company"), an umbrella-type open-ended investment company with segregated liability between sub-funds authorized in Ireland as an undertaking for collective investment in transferable securities (a "UCITS") pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended. Harding Loevner LP is the investment manager of the Company. The latest version of the prospectus (available in English and Swiss German) and applicable KIIDs (available in English and Swiss German) may be obtained at www.hardingloevnerfundsplc.com.

Securities in the Fund are subject to market fluctuations and other risks inherent in investing in securities. Fund shares are priced daily and will fluctuate. The value of your principal investment will fluctuate accordingly and may be worth more or less than your original investment. Changes in exchange rates between currencies or the conversion from one currency to another may also cause the value of the investments to diminish or increase. An investment in a Fund should not constitute a substantial proportion of an investment portfolio and may not be appropriate for all investors. For further discussion of risk factors, refer to the Risk Factors section of the Company's prospectus and the applicable Fund's Supplement to the prospectus.

There can be no assurance that the Fund's investment objective will be achieved and investment results may vary substantially over time. This document is for information purposes only and does not constitute an offer or invitation to purchase shares in the Fund and has not been prepared in connection with any such offer or invitation.
